

## ADDENDUM TO CONTRACT FOR LIVE (IN CLASSROOM) CLASSES

Everyone is invited to attend classes. We ask; however, that each live, in classroom attendee be fully vaccinated. By which we mean at least two weeks have elapsed since the last dose received. ***NOTE: If the CDC issues new mandates or protocols, we will adhere to those mandates and protocols.***

If not vaccinated, the class will be accessible virtually, via Zoom, providing the venue is equipped with reliable wifi connectivity.

Cost for the two options is the same as contracted.

Host will notify The Acme Institute the First and Last Name, Email and Permanent ID Number of anyone attending the class virtually so as to be able to send them a .pdf file of the materials, along with instructions via email. They will then be sent an email on the morning of the class at 8:15 am with a live link to “Join the Meeting in Progress”.
